

HELP STOP MILITARY RAPE

1 in 3 women in the military will suffer rape, abuse, or harassment by fellow soldiers.

Over 90% of those who report abuse are discharged instead of their attackers.

Help us to raise awareness for this atrocity by supporting the Black Rose campaign for awareness.

If you have suffered rape during your service, we invite you to make a request for a rose in your honor to be taken to Washington, D.C. and laid out before the Capitol Building. For more information, visit our web site at:
